

Thanks for the Inspo!

Think about a teacher who has made a real difference in your life. Maybe they helped you believe in yourself when things felt tough, encouraged you to try something new or inspired you to dream about your future. In the space below, write a short note or make a piece of visual art for that teacher to say thank you. Your note or art piece can showcase what you admire about them, a memory of a time they helped you, or how they've inspired you to keep going or think differently about yourself. What you create has the power to show your teacher just how much they matter and how much they helped you feel like you belong.
